1. Introduction and Background

CHANGE School Partnership recognises that positive behaviour and good attendance are essential in order to raise standards of pupil attainment and to give every child/young person the best educational experience possible.

This policy is written with the above statement in mind and underpins our Trust ethos to:

- promote children's welfare and safeguarding
- ensure every pupil has access to the full time education to which they are entitled
- ensure that pupils succeed whilst at school
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **It is a rule of this Trust that pupils must attend every day, unless there are exceptional circumstances and it is the Headteacher, not the parent, who can authorise the absence.**

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

This policy has been developed in consultation with the Board of Trustees, teachers, the Local Authority, [Aquinas - our school attendance partner] and parents and carers. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the Trust's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued.
- Raising awareness of the importance of good attendance and punctuality
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently
- Where appropriate, challenging low levels and persistent attendance
- Acknowledge and reward improving attendance.

2. Understanding Types of Absence

Every half-day absence from school is classified by the school (not by the parent/carer), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required.

Authorised absences are mornings or afternoons away from school for a good reason like illness (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been given or in instances where no reason for the absence has been provided by the parent. This type of absence can lead to the Local Authority [or Aquinas] using sanctions and/or legal proceedings which may include issuing each parent with a Penalty Notice for £120, reduced to £60 if paid within 21 days or referring the matter to the Magistrates Court whereby each parent may receive a fine up to £2500 and/or up to 3 months in prison. If you are found guilty in court you will receive a criminal conviction.

Unauthorised absence includes:

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for non-infectious illness or injury that would not affect their ability to learn.
- absences which have never been properly explained.
- children who arrive at school too late to get a mark on the attendance register.
- shopping trips.
- looking after other children or children accompanying siblings or parents to medical appointments.
- their own or family birthdays.
- holidays taken during term time without **written approval**- 5 days unauthorised absence will lead to a penalty notice being triggered by the Local Authority.
- day trips.
- other leave of absence in term time which has not been agreed.

3. School Attendance and the Law

There is no longer any entitlement in law for pupils to take time off during the term to go on holiday.

In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school".

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued.
- Raising awareness of the importance of good attendance and punctuality
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently
- Where appropriate, challenging low levels and persistent attendance

4. Promoting Regular Attendance

Helping to create a pattern of regular attendance is the responsibility of parents, pupils and all members of school staff.

To help us all to focus on this we will:

- Give parents/carers details on attendance in our newsletters
- Report to parents/carers annually on their child's attendance with the annual school report

- Contact parents/carers should their child's attendance fall below the school's target for attendance. The Education (Pupil Registration) (England) Regulations 2006 were amended in September 2013. All references to family holidays and extended leave have been removed. The amendments specify that Headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they no longer have the discretion to authorise up to ten days of absence each academic year.

It is a rule of this Trust that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the Headteacher, irrespective of the child's overall attendance. Only the Headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing on the prescribed form provided by the school. Where a parent removes a child when the application for leave was refused or where no application was made to the school, the issue of a penalty notice may be requested by this school.

At CHANGE Schools Partnership 'exceptional circumstances' will be interpreted as:

... being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time. The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time

We will not agree leave during term time:

- at any time in September. This is very important as your child needs to settle into their new class as quickly as possible.
- during assessment and test periods in the school's calendar affecting your child.
- when a pupil's attendance record already includes any level of unauthorised absence or they have already been granted authorised leave within that academic year.

Whilst any child may occasionally have time off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this such as the School Nurse or Local Authority.

5. Persistent Absenteeism (PA)

A pupil is defined by the Government as a '**persistent absentee**' when they miss 10% or more schooling across the school year for whatever reason. Absence at this level will cause considerable damage to any child's education and we need a parent/carer's fullest support and co-operation to tackle this.

We monitor all absence, and the reasons that are given, thoroughly. If a child is seen to have reached the PA mark or is at risk of moving towards that mark we will inform the parent/carer. PA pupils are tracked and monitored carefully. We also combine this with academic tracking where absence affects attainment. All our PA pupils and their parents are subject to a school attendance meeting and the plan may include: allocation of additional support through the School Nurse, Local Authority, Family Solutions or Social Care.

6. Absence Procedures

At all schools, if a child is absent from school the parent/carer must follow the following procedures:

- Contact the school on the first day of absence before *8.50 am* providing a full explanation for the absence. The school has an answer phone available to leave a message if nobody is available to take your call, or call into school personally and speak to the office staff.
- Contact the school on every further day of absence, again before *8.50am*.
- Ensure that your child returns to school as soon as possible.

If your child is absent we will:

- Telephone or text you on the first day of absence if we have not heard from you.
- Write to you if your child's attendance is below 90%
- Invite you in to school to discuss the situation with Aquinas/the Attendance Officer, our Attendance Lead, Pastoral Manager/Operational Safeguarding Lead or Headteacher if absences persist.
- Where all supportive measures have been exhausted and unauthorised absence continues, the school may instruct Aquinas/the Attendance Officer to issue parents with Legal Warning Letters and subsequent Penalty Notices where deemed by the school to be appropriate

7. Aquinas School Attendance Provisions

An Attendance Officer/Advisor from Aquinas works alongside the school staff to help the school to promote good attendance and reduce absence, including persistent absence and to act early to address patterns of absence.

They conduct attendance reviews for all pupils, identify individual concerns and recommend the appropriate action. The process of intervention implemented by Aquinas, is solely designed to overcome any identified barrier to a child's school attendance without the need for legal action. The process is primarily aimed to work with parents to firstly inform them the concern, then engage with them to identify and resolve any barriers to affecting the attendance. It is only where all support-centred measures have failed to make an impact and the unauthorised absences continue, that legal action in the form of Penalty Notice will be considered.

[Aquinas is accredited by Essex Police under the Community Safety Accreditation Scheme (CSAS) with the power to issue Penalty Notice. Aquinas also works very closely with The Local Authority Attendance Compliance and Education Access Service, is a member of The National Association of Social Workers in Education (NASWE) and a signed member of a Whole Essex Information Sharing Framework (WEISF).]

8. The Attendance Compliance and Education Access Service

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the Local Authority. Local Authority Officers work with schools, families and other professionals to reduce persistent absence and improve overall attendance. If attendance does not improve, legal action may be taken in the form of a Penalty Notice (see Annex A for the Essex

Code of Conduct), prosecution in the Magistrates Court or the application of an Education Supervision Order, designed to strengthen parental responsibilities and ensure improved attendance.

9. Lateness

Poor punctuality is not acceptable. If a child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, can be embarrassing for the child and can also encourage absence. Good time-keeping is a vital life skill which will help our children as they progress through their school life and out into the wider world.

10. How we manage lateness:

The school day starts at **[school specific]** when children can begin to come into school. Registers are taken at **[school specific]** and your child will receive a late mark if they are not in by that time. Children arriving after **[school specific]** are required to come in to school via the school office if accompanied by a parent or carer, the parent/carer will sign them into our 'Late Book' and provide a reason for their lateness which is recorded. The school may send home 'late notes' in order to keep parents and carers informed.

At **[school specific]** the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists. If your child has a persistent late record you will be asked to meet with the Attendance Lead but you can approach us at any time if you are having problems getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and celebrate good class and individual punctuality.

If leave of absence is authorised, the school will not provide work for children to do during their absence. Parents are however advised to read with their children and encourage them to write a diary while they are away.

11. Deletion from Roll

For any pupil leaving our schools, other than at the end of year 6 parents/carers are required to complete a 'Pupils moving from school' form which can be obtained from the school office. This provides school with the following information: Child's name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know and safeguard the whereabouts of all of our pupils.

12. Summary

The school has a legal duty to publish its absence figures to parents and to promote attendance.

Equally, parents have a duty to make sure that their children attend school, on time, every day.

All school staff, the Board of Trustees and the Governing Body are committed to working with parents and pupils as the best way to ensure as high a level of attendance as possible.

Annex A

ESSEX CODE OF CONDUCT PENALTY NOTICES FOR PARENTS OF TRUANTS AND PARENTS OF PUPILS EXCLUDED FROM SCHOOL (OCTOBER 2017) ANTI SOCIAL BEHAVIOUR ACT 2003 SECTION 23

The purpose of this local code of conduct is to ensure that the powers are applied consistently and fairly across the local authority area and that suitable arrangements are in place for the administration of the scheme.

The Government requires Local Authorities to issue a code of conduct

The Essex code has been agreed following consultation with:

- Essex Local Authority – Attendance Compliance and Education Access Service
- Representatives from Governing Bodies and Headteachers of Essex Schools
- Essex Police Service

in accordance with the Education (Penalty Notices) Regulation 2007, Anti-Social Behaviour Act 2003) section 23 subsection (1) and Sections 103 to 105 of the Education and Inspections Act 2006; Education (Pupil Registration) (England) (Amendment) Regulations 2013

Anyone issuing a penalty notice to a parent* of a child of statutory school age on roll at an Essex school, must do so within the terms of this code.

Legislation

Education Act 1996

Under Section 7 of the Act: the parent is responsible for making sure that their child of compulsory school age receives efficient full time education that is suitable to the child's age, ability and aptitude and to any special educational needs that the child may have, this can be by regular attendance at school, or otherwise (the parent can choose to educate their child themselves). If it appears to the LA that a child of compulsory school age is not receiving a suitable education, either by regular attendance at school or otherwise then they must begin procedures for issuing a School Attendance Order under Section 437 of the Education Act 1996.

If a child of compulsory school age who is registered at a school fails to attend the school regularly the parent is guilty of an offence under Section 444(1) of the Education Act 1996. In addition, if it can be proved that a parent knew of the child's non-attendance and failed to act, then they may be found guilty under Section 444(1 A). This offence (known as the higher or aggravated offence) can lead to a warrant being issued compelling a parent to attend court and conviction may result in a higher level fine and/or a custodial sentence.

The Anti-Social Behaviour Act 2003

<http://www.legislation.gov.uk/ukpga/2003/38/contents>

The Act added two new sections (444A and 444B) to the Education Act. It introduced penalty notices as an alternative to prosecution under Section 444; the issuing of penalty notices is governed by:

- The Education (Penalty Notices) (England) Regulations 2007

Education and Inspections Act 2006

The Education (Pupil Registration) (England) Regulations 2006 (Amended 2013)

<http://www.legislation.gov.uk/uksi/2013/756/regulation/2/made>

On 6 April 2017, in the case of Isle of Wight Council v Platt [2017] UKSC 28, the Supreme Court ruled that the word ‘regularly’ means ‘in accordance with the rules prescribed by the school.’

Authorisation to issue penalty notices

Primary responsibility for issuing penalty notices rests with the Local Authority (LA). It has been agreed that the Attendance Compliance and Education Access Service, on behalf of Essex LA, will usually issue penalty notices. The Service will administer the scheme from any funds obtained as a result of issuing penalty notices.

Headteachers (and Assistant Headteachers authorised by the Headteacher) and police, and persons accredited by the police are all able to issue the notices under the Act, although there is no requirement for them to do so. In Essex it has been agreed that the Police will not issue penalty notices to parents of truants, but persons accredited by them may do so. Schools will not generally issue penalty notices but where a Headteacher (or their designated deputy) or accredited person decides that a penalty notice is to be served, they must email attendancecompliance

@essex.gov.uk to ascertain if there is any current legal action. A response will be sent within 24 hours. This will avoid a penalty notice being issued when the Local Authority is instigating legal intervention proceedings for irregular school attendance.

Circumstances in which a penalty notice may be issued

Penalty Notices apply to pupils of statutory school age, which commences the term immediately following the child's 5th birthday and finishes on the last Friday in June of school year in which they turn 16.

Penalty notices will only be issued as a conclusion to a series of processes and when all attempts to address school attendance matters have been unsuccessful. If a previous Penalty Notice has been unsuccessful, rationale and justification should be provided as to why issuing another Penalty Notice would improve the attendance of the student. If schools are not aware of any previous or current legal interventions they must email attendancecompliance@essex.gov.uk . A response will be sent within 3 working days.

Parents cannot be penalised more than once for the same period of absence.

Domestic and European legislation and case law makes it clear that when serving a formal Notice in criminal proceedings, the recipient must be clearly and unambiguously identified. For the Purpose of issuing a Penalty Notice under this Code, the parent's first and last name must be cited on the Notice and any covering letter.

Essex partners have agreed to use Penalty Notices for the following circumstances however the offence under s444 Education Act 1996 is the same whether issued for unauthorised leave of absence (ULA) or irregular school attendance (ISA):

Penalty notices for unauthorised leave of absence (ULA)

Penalty Notices may be issued where there have been at least 10 consecutive sessions of unauthorised absence for the purpose of a holiday, whereby a parent made an application to the School which the Head Teacher has deemed not for exceptional circumstances. In addition, a Penalty Notice may also be issued, whereby the parent did not submit a leave of absence request, however the school have reason to believe the absence was for the purpose of a holiday and should not be authorised as parent has not provided any additional evidence which the Head Teacher deems appropriate to support the absence.

In addition to the above criteria, due to the importance of pupils settling into school at the commencement of the school year, Penalty Notices may also be issued if there have been at least 6 consecutive sessions of unauthorised absence during the first two weeks of September due to a term-time holiday.

The Local Authority requests that for Penalty Notices to be issued, parents must be duly warned of the legal ramifications under separate cover if they remove their child from school for the purpose of a holiday. Schools/Academies must reference the use of Penalty Notices within their Attendance Policy which must be available to all parents/carers online and/or in hard copy within the school, accessible

to parents to read. Schools should remind parents of the protocol regarding leave of absence during term time.

Penalty notices for irregular school attendance (ISA)

Penalty Notices may be issued where there has been at least 10 sessions of unauthorised absence during the previous 10 school weeks.

Parents must have been issued with a Legal Action Warning Letter with accompanying Legal fact sheet and given opportunities to inform the school of any factors impacting on their ability to ensure their child attends school regularly. Warning letters are valid for 18 calendar weeks.

The Local Authority advises that the following template is used for irregular school attendance referrals as this has been specifically designed to enable the progression of cases if appropriate. This letter must be on headed paper from the school or accredited persons issuing the notice. The legal fact sheet must be included

https://schools.essex.gov.uk/pupils/Attendance_Compliance/Documents/Legal%20Action%20Warning%20Letter%20for%20schools.docx .

Failure to adequately issue warning to parents may result in the Penalty Notice being withdrawn or not issued.

All penalty notice referrals or notifications from Accredited Persons must be sent via Essex County Council's online portal and all relevant pre-referral work in accordance with the Local Authority requirements must be uploaded alongside the referral/notification.

The Local Authority must be satisfied that the substantive offence in accordance with s.444 Education Act 1996 has been committed prior to issuing a Penalty Notice.

Evidence of attempts to address attendance concerns within the previous 8 weeks prior to requesting or notifying of a Penalty Notice must be submitted. Satisfactory evidence includes letters, notes of home visits, meetings, telephone calls etc.

- In addition to the above criteria, due to the importance of pupils settling into school at the commencement of the school year, penalty notices may also be issued if there have been at least 6 consecutive sessions of unauthorised leave of absence during the first two weeks of September.

From September 2018

- A penalty notice may be issued if there are ***6 or more unauthorised sessions (3 days) due to a holiday taken during the first two weeks of September***

Number of penalty notices which can be issued for truancy/unauthorised absence

Discretion will be used to enable up to two penalty notices to be issued to each parent for each child within a twelve-month period. If the law continues to be broken around school attendance the Attendance Compliance and Education Access Service legal intervention process will be used.

Pupil identified during a school attendance and exclusion sweep

School attendance and exclusion sweeps take place in Essex and children stopped are often with parents condoning the absence.

If the Headteacher does not authorise the absence of a pupil stopped by a Local Authority Investigation Officer and Police Officer on a sweep and there has been at least 10 unauthorised absences for that pupil during the preceding 10 school weeks, school will issue a warning letter to the parent within 14 days. If there are any further absences that are not authorised by the Headteacher, during the next 6 school weeks the school will complete a request, signed by the Headteacher (or their designated deputy), for issue of a penalty notice and send to the Attendance Compliance and Education Access Service. The Attendance Compliance and Education Access Service may then issue a penalty notice.

Number of Penalty Notices which can be issued for pupils identified during a school attendance and exclusion sweep.

Essex will issue no more than two penalty notices to a parent in a twelve-month period for pupils identified on a school attendance and exclusion sweep. If the law continues to be broken around school attendance the Attendance Compliance and Education Access Service legal intervention process will be used.

Excluded children

When a child is excluded from school, the parent will be responsible for ensuring that their child is not found in a public place during normal school hours on the first five days of each and every fixed period or permanent exclusion. (Section 103 Education and Inspections Act)

The excluding school must have issued notice to the parent informing them of their duty and warning that a penalty notice could be issued.

Where there is more than one person liable for the offence, a separate notice may be issued to each person.

Where a pupil is present in a public place in the first five days of a fixed period exclusion the Essex Local Authority would issue a penalty notice if the school is in their area. Where the child has been permanently excluded, it would be the authority where the child resides.

Number of penalty notices which can be issued for exclusion

Essex will issue a maximum of 5 penalty notices per parent for each child during a 12-month period.

Number of penalty notices which can be issued for unauthorised leave of absence

Essex will issue no more than two penalty notices to a parent in a twelve-month period for unauthorised leave of absence. If the law continues to be broken around school attendance the Attendance Compliance and Education Access Service legal intervention process will be used.

Payment of Penalty Notice

The penalty for each parent is £60 for each child if paid within 21 days of receipt of the notice, rising to £120 if paid after 21 days but within 28 days of receipt of the notice (service by post is deemed to have been effected, unless the contrary is proved, on the second working day after posting the notice by first class post).

All penalties are paid to the LA and revenue generated is retained to administer the system and contribute towards S444 prosecutions.

If the penalty is not paid in full by the end of the 28-day period Essex Attendance Compliance and Education Access Service will either prosecute for the offence to which the notice applies or withdraw the notice. The prosecution is not for non-payment of the notice but is a prosecution for irregular school attendance – Education Act 1996 Section 444 (1)

There is no statutory right of appeal against the issuing of a penalty notice.

Withdrawal of Penalty Notice

A penalty notice can be withdrawn in the following circumstances:

- Where it ought not to have been issued i.e. where it has been issued outside the terms of the local code of conduct or where the evidence does not support the issuing of a penalty notice
- The notice contains material errors
- Where it has been issued to the wrong person or the parent can prove it was delivered to the wrong address

Co-ordination between the LOCAL AUTHORITY and its local partners

The Attendance Compliance and Education Access Service and its local partners will review this Code of Conduct annually.

** All those defined as a parent under Section 576 Education Act 1996 are parents for the purpose of these provisions. This means that all natural parents, whether they are married or not; any person who, although not a natural parent, has parental responsibility (as defined in the Children Act 1989) for a child or young person; and any person who, although not a natural parent, has care of a child or young person. Having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child, is considered to be a parent in education law. Parent means each and every parent coming within the definition (whether acting jointly or separately) and should not be taken to mean that provisions only apply to parent in the singular.*

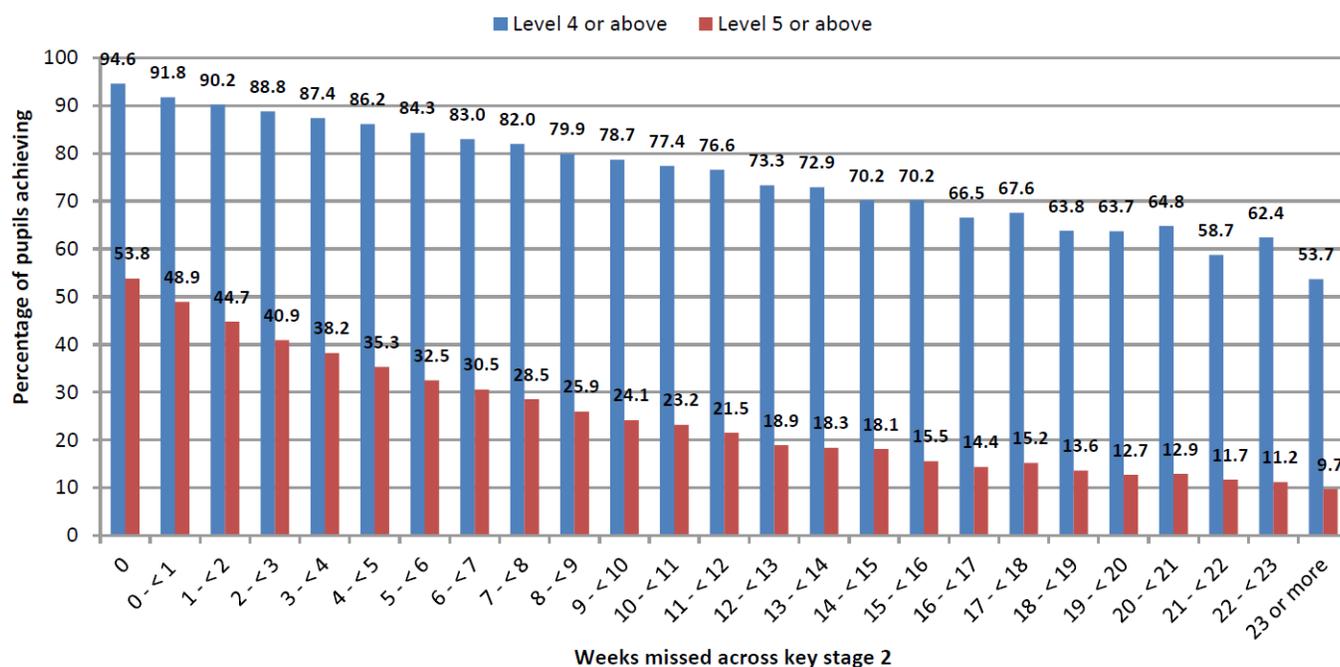

As with prosecutions under Section 444 Education Act 1996 a penalty notice may be issued to each parent liable for the offence.

****** truancy/unauthorised absence is absence from school without permission or good reason and the absence is unauthorised by the school.

Annex B

DfE “The link between absence and attainment at KS2 - 2013/14 academic year”

The analysis of the link between overall absenceand attainment when taking prior attainment and pupil characteristics into account showed that, for each KS2 and KS4 measure, overall absence had a statistically significant negative link to attainment – i.e. every extra day missed was associated with a lower attainment outcome.

ADDENDUM

Covid-19 pandemic

All schools in the CHANGE Schools Partnership will implement all DfE policies and guidelines relating to attendance during the Covid-19 pandemic. From September 2020 the expectation is that all pupils will attend school and the Pupil Attendance Policy will be reinstated and implemented.

If parents or students have concerns about attendance during the pandemic they should speak to the school office in the first instance. The school's risk assessment refers to attendance and the steps that the school will take to promote attendance at the current time.
